2. COMPANY PROFILE

Note:

- Company Name is restricted to maximum of 35 characters; please use abbreviation where necessary
- Designate maximum of two contact persons (business and technical) whom DBS (Taiwan) Bank Ltd ("Bank") can liaise with on matters related to IDEAL Corporate Connectivity services.
- Applicants applying for the IDEAL RAPID transaction service must apply for a digital certificate at the same time and should ensure the validity of the digital certificate during the period of using the IDEAL RAPID transaction service. If the applicant does not have digital certificate or fails to ensure the validity of the digital certificate during the period of using the IDEAL RAPID transaction service, the applicant will not be able to use the transaction functions of Strait Through Processing ("STP") of IDEAL RAPID; however, if the applicant has used the SSL certificate and complies with the Bank's security control and technical agreement requirements, then the applicant can continue to use the IDEAL RAPID reporting functions other than transaction functions of STP of IDEAL RAPID.
- Regarding to the instructions initiated via IDEAL RAPID Trade, the applicant has to initiate transaction instructions via IDEAL RAPID before transaction cut-off time (12:00p.m. for NTD transactions, 15:00p.m. for foreign currency transactions) on working days, and the business contact person of the applicant should receive a call-back confirmation from the Bank, confirming that the content of the instruction and required documents should be accurate, complete, without flaw and fits our operation rules, and the Bank will only process the instruction on the day we receive it if the mentioned criteria are met. If the Bank does not receive complete transaction instructions with call-back confirmation process fulfilled by the cut-off time, the Bank has the right to refuse acceptance of the transaction instruction or process the transaction instruction on the next working day subject to consent by the contact person of the applicant in the call-back confirmation.
- The transaction types of IDEAL RAPID or IDEAL Connect applied by the applicant, which require digital certificate are listed in remark 1 below.
- The settings of associate company in this service only applies when the applicant and its associated company are companies operating in Taiwan, or the applicant only applies for services that do not require digital certificate. * Is required field ° Remark 1:

IDEAL RAPID : TWD remittance, TWD transfer, eACH, Telegraphic Transfer or other automatic transaction.

IDEAL Connect : Intracompany Accounts Transfer, TWD remittance, bulk payment, payroll payment, eACH, foreign currency transaction or other automatic transaction.

11. AGREEMENT

IMPORTANT Note (PLEASE READ BEFORE SIGNING):

1. I/We hereby declare, confirm and warrant that the information given in this form is provided by ourselves, which is complete, true and accurate in all respects and no material fact has been withheld from DBS Bank (Taiwan) Ltd ("DBS") and DBS has not assisted filled out the form for us. If any of the information given herein changes or becomes inaccurate in any way, I/We shall immediately notify DBS in writing of any such change and/or inaccuracy.
2. I/we have received, read and agree to be bound by DBS' prevailing General Banking Terms and Conditions, the Taiwan Jurisdiction Schedule, Service Schedule-Additional Connectivity Services and Taiwan Service Schedule- Additional Connectivity Services (each may be amended, supplemented, substituted and/or replaced from time to time) as published and available in <https://www.dbs.com.tw/corporate-zh/gbtc-wm>.
3. I/We acknowledge and understand that DBS reserves the right to accept or decline my/our application without giving any reason.
4. All the reports and statements that are shown as sent successfully according to our system should be deemed as received by the counterparty.
5. In addition and without prejudice to relevant terms and conditions of associate company authorization, that the applicant has agreed to, the following associate company authorizations are only applicable while the applicant and its associated company are companies operating in Taiwan, or the applicant only applies for services that do not require digital certificate.

(a) We, as the entity identified as an **"Associate Company"**:

- (i) appoint and authorize the entity identified as **"Holding Company"** in this form (i.e. our parent company) as our agent in relation to the IDEAL Corporate Connectivity services;
- (ii) authorize DBS to provide the Holding Company with access to and all information relating to our accounts (set out in this form or such other accounts as we may from time to time designate and notify DBS in writing) (**"Associate Accounts"**);
- (iii) confirm that the Holding Company is authorized to transact for and on our behalf in relation to all matters relating to the Associate Accounts and to use all other services made available on our Associate Accounts, including without limitation the receiving and giving of notices, consents, instructions and any communication for and on our behalf;
- (iv) confirm that we will be bound by all acts of the Holding Company and agree that if we plan to revoke the authorizations and confirmations given in this paragraph 7(a), we shall notify DBS in DBS prescribed written form, signed by authorized signatory of the applicant seven business days prior to the said revocation of authorization.
- (v) the applicant confirms that we are applying to DBS's associate company authorization for legitimate business reasons, and this authorizing arrangement is not against any law (i.e. anti-money laundry, economic sanction, anti-information terrorism, anti-tax avoiding) or any matters against regular business regulatory. The applicant acknowledges that DBS can decide whether to accept the associate company authorization application. If DBS or our related entity's responsible official, representative or employee has suffered any loss, the applicant shall take joint liability with the holding company. And DBS can terminate accepting this authorization for associate company.

- (b) We, as the entity identified as **"Holding Company"** in this form, accept our appointment as agent for each Associate Company in relation to the IDEAL Corporate Connectivity services. The applicant confirms that we are applying for DBS's associate company authorization for legitimate business reasons, and this authorizing arrangement is not against any law (i.e. anti-money laundry, economic sanction, anti-information terrorism, anti-tax avoiding) or any matters against regular business regulatory. The applicant acknowledges that DBS can decide whether to accept the associate company authorization application. If DBS or our related entity's responsible official, representative or employee has suffered any loss, the applicant shall take joint liability with the associate company. And DBS can terminate accepting this authorization for associate company.
