The making of the payment for the purchase of Notes pursuant to the Offer and any Accrued Interest to such Direct Participant will satisfy any obligations of the Offeror, the Tender Agent and DTC in respect of the payment for Notes purchased pursuant to the Offer.

We are incorporating by reference certain information into this Offer to Purchase. This means:

- documents incorporated by reference are considered part of this Offer to Purchase;
- we can disclose important information to you by referring you to these documents; and
- information that we file with the SEC will automatically update and modify or supersede some of the information included or incorporated by reference into this Offer to Purchase.

This means that you must look at all of the SEC filings that we incorporate by reference to determine if any of the statements in this Offer to Purchase or in any document previously incorporated by reference have been modified or superseded.

This Offer to Purchase incorporates by reference the documents listed below, which the Group has previously filed with or furnished to the SEC. These documents contain important information about the Group and its financial condition, business and results.

- The Group’s interim report on Form 6-K containing an announcement relating to the commencement of the Group’s share buyback programme, filed with the SEC on February 21, 2023 (File No. 001-10306).
- The Group’s annual report on Form 20-F for the year ended December 31, 2022, filed with the SEC on February 24, 2023 (File No. 001-10306), including the audited consolidated annual financial statements of the NatWest Group, together with the audit report thereon (the “**Annual Report**”).
- We also incorporate by reference in this Offer to Purchase any future documents we may file with the SEC under Section 13(a), 13(c), 14 or 15(d) of the Exchange Act, from the date of this Offer to Purchase until the Offer expires or is terminated. Reports on Form 6-K that we may furnish to the SEC on or after the date of this Offer to Purchase (or portions thereof) are incorporated by reference in this Offer to Purchase only to the extent that the report expressly states that it is (or such portions are) incorporated by reference in this Offer to Purchase.

Each document incorporated by reference into this Offer to Purchase is current only as of the date of such document, and the incorporation by reference of such document is not intended to create any implication that there has been no change in the affairs of the Offeror since the date of the relevant document or that the information contained in such document is current as of any time subsequent to its date. Any statement contained in such incorporated documents is deemed to be modified or superseded for the purpose of this Offer to Purchase to the extent that a subsequent statement contained in another document that is incorporated by reference into this Offer to Purchase at a later date modifies or supersedes that statement. Any such statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this Offer to Purchase.

FORWARD-LOOKING STATEMENTS

From time to time, we may make statements, both written and oral, regarding our assumptions, projections, expectations, intentions or beliefs about future events. These statements constitute “forward-looking statements” for purposes of the Private Securities Litigation Reform Act of 1995. We caution that these statements may and often do vary materially from actual results. Accordingly, we cannot assure you that actual results will not differ materially from those expressed or implied by the forward-looking statements. These forward-looking statements are subject to risks and uncertainties. You should read the sections entitled “*Risk Factors*” in this Offer to Purchase and in our Annual Report which is incorporated by reference herein and the section entitled “*Forward-Looking Statements*” in our Annual Report, which is incorporated by reference herein.

Any forward-looking statements made herein or in the documents incorporated by reference herein speak only as of the date they are made. Except as required by the U.K. Financial Conduct Authority (the “FCA”), any applicable stock exchange or any applicable law, we expressly disclaim any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained in this Offer to Purchase or the documents incorporated by reference herein to reflect any changes in expectations with regard thereto or any new information or any changes in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any additional disclosures that we have made or may make in documents we have filed or may file with the SEC.

ENFORCEABILITY OF CIVIL LIABILITIES

We are a public limited company incorporated and registered in Scotland, United Kingdom. Many of our directors and executive officers, and certain experts named in this Offer to Purchase or the documents incorporated by reference herein, reside outside of the United States. All or a substantial portion of our assets and the assets of those non-resident persons are located outside of the United States. As a result, it may not be possible for holders of Notes to effect service of process within the United States upon us or those persons or to enforce against them judgments obtained in U.S. courts predicated upon civil liability provisions of the federal securities laws of the United States. We have been advised by our Scottish solicitors, CMS Cameron McKenna Nabarro Olswang LLP (as to Scots law) that, both in original actions and in actions for the enforcement of judgments of U.S. courts, there is doubt as to whether civil liabilities predicated solely upon the U.S. federal securities laws are enforceable in Scotland.

RISK FACTORS

Holders of the Notes should consider carefully the risk factors incorporated by reference into this Offer to Purchase and as set out below as well as the other information set out elsewhere in this Offer to Purchase (including any other documents incorporated by reference herein) and reach their own views prior to making any investment decision with respect to the Offer.

The Offeror believes that the factors described below represent the principal risks inherent in the Offer, but the Offeror does not represent that the statements below regarding the risks of the Offer are exhaustive. Holders of the Notes should also read the detailed information set out elsewhere in this Offer to Purchase (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any decision to tender their Notes.

Risks relating to the Group

For a description of the risks associated with the Group, please refer to the “*Risk Factors*” section in our Annual Report, which is incorporated by reference herein.

Risks relating to the Offer

The trading markets for the Notes may be adversely affected by the Offer.

The trading markets for the Notes that remain outstanding following the completion of the Offer may be characterized by significantly lower levels of liquidity than before the Offer. Such outstanding Notes may command a lower price than a comparable issue of securities with greater market liquidity. A reduced market value may also make the trading price of the remaining Notes more volatile. As a result, the market prices for the Notes that remain outstanding after the completion of the Offer may be materially and adversely affected as a result of the Offer. It is also possible that the credit ratings of the Notes may be affected.

The Notes are listed on the New York Stock Exchange but may not be actively traded. Quotations for securities that are not widely traded may differ from actual trading prices and should be viewed as approximations. Holders of Notes are urged to contact their brokers or other intermediaries with respect to current market prices for the Notes.

Changes in Reference Yields on Reference U.S. Treasury Securities.

The Purchase Price will be based on the yield to maturity corresponding to the bid-side price of the Reference Security (as defined herein) as of the Price Determination Time (as defined below) plus the Fixed Spread. These yields may fluctuate during the term of the Offer prior to the Price Determination Time. As a result, the actual amount of cash that will be received by a tendering holder for Notes purchased pursuant to the Offer will be affected by such changes and may be different than if such amount were calculated based on the yield of the Reference Security prevailing on dates or times prior to the Price Determination Time. Changes in the yield on the Reference Security following the Price Determination Time will not alter the Purchase Price unless the terms of the Offer are amended.

Failure by a holder to comply with the procedures for participating in the Offer may result in the holder being excluded from participation.

Holders are responsible for complying with all of the procedures for submitting Tender Instructions pursuant to the terms of this Offer to Purchase. None of the Offeror, the Dealer Managers or the Tender Agent assume any responsibility for informing holders of irregularities with respect to Tender Instructions from such holders. The Offeror reserves the right, in its absolute discretion, to reject any and all Tender Instructions not in proper form or for which any corresponding agreement would, in its opinion, be unlawful.

The Offer may be extended, reopened, amended, limited, terminated or withdrawn at any time, subject to applicable law, and any such action may adversely affect any perceived benefits of the Offer.

Completion of the Offer is conditional upon the satisfaction or waiver of the conditions to the Offer set out herein. In addition, subject as provided herein, the Offeror may, subject to applicable law, extend, re-open, amend, terminate or withdraw the Offer at any time prior to the announcement of whether it accepts valid tenders of Notes. For details, see “*The Offer—Terms of the Offer—Offer Conditions*” and “*—Amendment and Termination*”.

Submitting a Tender Instruction will restrict a holder’s ability to transfer its Notes.

When considering whether to participate in the Offer, holders should take into account that restrictions on the transfer of Notes by holders will apply from the time of submission of a Tender Instruction. A holder will, on submitting a Tender Instruction, agree that its Notes will be blocked in the relevant account from the date of such submission until the earlier of (i) the time of settlement on the Settlement Date and (ii) the date of any termination of the Offer (including where such Notes are not accepted for purchase) or on which the Tender Instruction is withdrawn, in the circumstances in which such withdrawal is permitted.

A holder or beneficial owner’s failure to consult its own advisers may result in it suffering adverse tax, accounting, financial or legal consequences.

Holders and beneficial owners should consult their own tax, accounting, financial and legal advisers as they may deem appropriate regarding the suitability to themselves of the tax, accounting, financial and legal consequences of participating or declining to participate in the Offer. In particular, due to the number of different jurisdictions where tax laws may apply to a holder or beneficial owner, this Offer to Purchase does not discuss the tax consequences for holders and beneficial owners arising from the purchase of their Notes in the Offer and the receipt of the Purchase Price and any Accrued Interest except to the extent described under “*Taxation*”. Holders and beneficial owners are urged to consult their own professional advisers regarding the possible tax consequences under the laws of the jurisdictions that apply to them. Holders and beneficial owners are liable for their own taxes and have no recourse to the Offeror, any Group member, the Dealer Managers or the Tender Agent with respect to taxes arising in connection with the Offer.

The Offeror may engage in other purchases of the Notes that remain outstanding after the expiration of the Offer and there can be no assurance as to the terms of such future purchases, if any.

Whether or not the Offer is completed, the Offeror may from time to time after the expiration of the Offer, to the extent permitted by applicable law, purchase additional Notes in the open market, in privately negotiated transactions, through tender or exchange offers or otherwise, or the Offeror may redeem the outstanding Notes in accordance with their terms. Any future purchases may be on the same terms or on terms that are more or less favorable to holders of the Notes than the terms of the Offer. Any future purchases by the Offeror will depend on various factors existing at that time. There can be no assurance as to which, if any, of these alternatives (or combinations thereof) the Offeror may choose to pursue in the future.

The Offeror has not obtained a third-party determination that the Offer is fair to the holders.

No one is making a recommendation as to whether holders should tender Notes in the Offer. The Offeror has not retained, and does not intend to retain, any unaffiliated representative to act on behalf of the holders for purposes of negotiating the Offer or preparing a report concerning the fairness of the Offer. Holders must make their own independent decision regarding participation in the Offer.

THE OFFER

Holders should confirm with any bank, securities broker or other intermediary through which they hold Notes whether such intermediary needs to receive instructions from a holder before the deadlines specified in this Offer to Purchase in order for that holder to be able to participate in, or (in the circumstances in which withdrawal is permitted) withdraw their instruction to participate in, the Offer.

The times and dates below are subject, where applicable, to the right of the Offeror to extend, re-open, amend, limit, terminate or withdraw the Offer, subject to applicable law. Accordingly, the actual timetable may differ significantly from the expected timetable set out below. If any of the above times and/or dates change, the revised time and/or date will be notified by announcement promptly after the relevant decision is made.

Copies of all such announcements, press releases and notices can also be obtained from the Tender Agent, the contact details for whom are at the end of this Offer to Purchase.

Purpose of the Offer

The Offeror is providing the holders of the Notes with an opportunity to have their Notes repurchased while maintaining a responsible approach to the management of the Offeror's capital and MREL (minimum requirement for own funds and eligible liabilities) position. The Offeror will continue to meet all of its capital and MREL requirements irrespective of the outcome of the Offer.

Terms of the Offer

The Offeror is offering to purchase for cash, on the terms and conditions described in this Offer to Purchase, any and all of the outstanding Notes.

Purchase Price

The Purchase Price (expressed as an amount per \$1,000 principal amount of the Notes) for Notes validly tendered and not validly withdrawn at or prior to the Expiration Deadline and accepted for purchase by the Offeror will be equal to an amount (rounded to the nearest cent) that would reflect, as of the Settlement Date, a yield to the maturity date of the Notes equal to the sum of (i) the Reference Yield, plus (ii) the Fixed Spread. Specifically, the Purchase Price will equal (i) the value of all remaining payments of principal and interest on the Notes up to and including the scheduled maturity of the Notes, discounted to the Settlement Date, at a discount rate equal to (x) the Reference Yield plus (y) the Fixed Spread, minus (ii) any Accrued Interest for the Notes.

In addition to the Purchase Price, holders whose Notes are accepted for purchase will receive Accrued Interest. Accrued Interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including those tendered pursuant to the Guaranteed Delivery Procedures. Holders whose Notes are tendered and purchased pursuant to the Guaranteed Delivery Procedures will not receive payment in respect of any interest for the period from and including the Settlement Date to the Guaranteed Delivery Settlement Date.

The Purchase Price for each \$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Expiration Deadline and accepted for purchase by the Offeror will be determined by the Dealer Managers in accordance with standard market practice and with the formula set forth in Annex 1 to this Offer to Purchase, as applicable, as of 2:00 p.m., New York City time, on April 3, 2023, unless extended by the Offeror (such date and time, as the same may be extended, the “**Price Determination Time**”).

Because the Purchase Price for the Notes is based on a fixed spread pricing formula linked to the Reference Yield, the actual amount of consideration that may be received by a holder validly tendering Notes pursuant to the Offer will be affected by changes in the Reference Yield during the term of the Offer prior to the Price Determination Time.

In the event of any dispute or controversy regarding the Purchase Price or Accrued Interest, the determination of the Dealer Managers shall be conclusive and binding, absent manifest error.

Prior to the Price Determination Time, holders may obtain a hypothetical quote of the Reference Yield (calculated as of a then-recent time) and the resulting hypothetical Purchase Price by contacting the Dealer Managers at the telephone number set forth on the back cover of this Offer to Purchase.

The Offeror will issue a press release announcing the Reference Yield and the Purchase Price for the Notes promptly after the determination thereof.

Authorized Denominations

The Notes may be tendered and accepted for purchase only in principal amounts equal to minimum denominations of \$100,000 and integral multiples of \$1,000 in excess thereof (the “**Authorized Denominations**”).

No alternative, conditional or contingent tenders will be accepted.

Reference Yield; Reference Security and Reference Page

The bid-side yield (the “**Reference Yield**”) (rounded to the nearest 0.001 percent, with 0.0005 percent being rounded upwards) on the reference U.S. Treasury security (the “**Reference Security**”) will be determined from the bid-side price by the Dealer Managers in accordance with standard market practice as of the Price Determination Time, as reported for the Reference Security on the Bloomberg Reference Page set forth in the table on the cover page of this Offer to Purchase (the “**Reference Page**”).

If the bid-side price is not available on a timely basis on the Reference Page or is manifestly erroneous, the Purchase Price for the Notes shall be determined based on such other recognized quotation source as the Dealer Managers may select in their sole discretion.

Expiration Deadline

The Offer will expire at 5:00 p.m., New York City time, on April 3, 2023, unless extended (such date and time, as the same may be extended, the “**Expiration Deadline**”). If the Expiration Deadline is extended, an announcement to that effect will be made by the Offeror as described below in “—*Announcements*” no later than 10:00 a.m., New York City time, on the next Business Day after the previously scheduled Expiration Deadline.

Source of Funds

The Offeror will use cash on hand to pay for the Notes purchased pursuant to the Offer, any Accrued Interest and other expenses associated with the Offer.

Results

The Offeror will announce the principal amount of Notes validly tendered and accepted for purchase pursuant to the Offer promptly after the Expiration Deadline. Such information will be notified to holders as described below in “—*Announcements*” and shall, absent manifest error, be final and binding on the Offeror and the holders.

Once the Offeror has announced the results of the Offer in accordance with applicable law, its acceptance of Tender Instructions in accordance with the terms of the Offer will be irrevocable. Tender Instructions which are so accepted will constitute binding obligations of the submitting holders and the Offeror to settle the Offer.

Notes which have not been validly tendered and accepted for purchase pursuant to the Offer will remain outstanding after the Settlement Date or the Guaranteed Delivery Settlement Date, as applicable.

Settlement

Payment of the Purchase Price for all Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Offer (other than Notes tendered pursuant to the Guaranteed Delivery Procedures) is expected to be made on April 5, 2023 (the “**Settlement Date**”), on which date the Offeror will deposit with DTC the amount of cash necessary to pay the Purchase Price, plus any Accrued Interest, with respect to all such Notes.

Payment of the consideration to holders of Notes validly tendered and not validly withdrawn pursuant to the Guaranteed Delivery Procedures and accepted for purchase pursuant to the Offer is expected to be made on April 6, 2023 (the “**Guaranteed Delivery Settlement Date**”), on which date the Offeror will deposit with DTC the amount of cash necessary to pay the Purchase Price, plus any Accrued Interest, with respect to all such Notes. Interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including those tendered pursuant to the Guaranteed Delivery Procedures. Holders whose Notes are tendered and purchased pursuant to the Guaranteed Delivery Procedures will not receive payment in respect of any interest for the period from and including the Settlement Date to the Guaranteed Delivery Settlement Date.

Costs and Expenses

Any charges, costs and expenses incurred by the holders or any intermediary in connection with the Offer shall be borne by such holder. No brokerage costs are being levied by the Dealer Managers or the Tender Agent. Holders should check whether their brokers or custodians will charge any fees.

Announcements

Unless stated otherwise, announcements in connection with the Offer will be made by the Offeror (i) by the issue of a press release through a widely disseminated news service that will also be furnished to the SEC on Form 6-K, (ii) by the delivery of notices to the DTC for communication to Direct Participants, (iii) through RNS, and (iv) on the relevant Reuters International Insider Screen. Copies of all such announcements, press releases and notices can also be obtained from the Tender Agent, the contact details for whom are at the end of this Offer to Purchase. Any announcement of an extension of the Offer will be made prior to 10:00 a.m., New York City time, on the Business Day immediately following the previously scheduled Expiration Deadline.

No Recommendation

None of the Offeror, the Dealer Managers, the Tender Agent or the trustee with respect to the Notes (or any of their respective directors, employees or affiliates) are providing holders of Notes with any legal, business, tax, investment, regulatory or other advice in the Offer to Purchase, nor making any recommendation as to whether holders should tender or refrain from tendering any Notes in the Offer, and none of them have authorized any person to make any such recommendation. Holders should consult their own advisers as needed to assist them in making an investment decision with respect to the Offer.

Offer Conditions

Subject to applicable law, the Offeror will not be required to purchase and pay for any Notes tendered pursuant to the Offer, and may terminate, extend or amend the Offer and may postpone the acceptance for purchase of any Notes so tendered in the Offer, unless the General Conditions listed below have been satisfied or, if permissible under applicable law, waived.

All of the General Conditions shall be deemed to have been satisfied on the Expiration Deadline, unless any of the following conditions shall have occurred on or after the date of this Offer to Purchase and be continuing at such time with respect to the Notes:

- (a) there shall have been any change or development that, in the reasonable judgment of the Offeror, may materially reduce the anticipated benefits of the Offer or that has had, or could reasonably be expected to have, an adverse effect on us, our businesses, condition (financial or otherwise) or prospects;
- (b) there shall have been instituted or threatened any action, proceeding or investigation by or before any governmental authority, including any court, governmental, regulatory or administrative branch or agency, tribunal or instrumentality, that relates in any manner to the Offer and that in the reasonable judgment of the Offeror makes it advisable to terminate the Offer; and
- (c) there shall have occurred: (i) any general suspension of or limitation on prices for trading in securities in the United Kingdom or the U.S. securities or financial markets; (ii) any disruption in the trading of the ordinary shares of the Group; (iii) any disruption in securities settlement, payment or clearing services in the United Kingdom or the United States; (iv) a declaration of a banking moratorium or any suspension of payments with respect to banks in the United Kingdom or the United States; or (v) a commencement or significant worsening of a war or armed hostilities or other national or international calamity, including but not limited to, pandemics or catastrophic terrorist attacks against the United Kingdom or its citizens or the United States or its citizens.

The Offeror expressly reserves the right to amend or terminate the Offer and to reject for purchase any Notes not previously accepted for purchase, if any of the conditions to the Offer specified above are not satisfied. These conditions are for sole benefit of the Offeror, and it may assert them regardless of the circumstances that may give rise to them, or waive them in whole or in part, at any or at various times. All conditions to the Offer must be satisfied or waived prior to the Expiration Deadline.

Procedures for Participating in the Offer

Tender Instructions submitted other than pursuant to the Guaranteed Delivery Procedures

Holders who hold Notes through DTC should transmit their acceptance through the ATOP procedures of DTC. DTC is then expected to edit and verify the acceptance and send an Agent's Message (as defined below) to the Tender Agent for its acceptance. The confirmation of a book-entry transfer into the Tender Agent's account at DTC as described above is referred to herein as a "**Book-Entry Confirmation**". Delivery of documents to DTC does not constitute delivery to the Tender Agent.

The Tender Agent will establish an account with respect to the Notes at DTC for purposes of the Offer and any financial institution that is a participant in DTC may make book-entry delivery of Notes by causing DTC to transfer such Notes into the Tender Agent's account in accordance with DTC's procedures for such transfer. However, although delivery of Notes may be effected through book-entry transfer into the Tender Agent's account at DTC, an Agent's Message, and any other required documents, must, in any case, be transmitted to and received by the Tender Agent at its address set forth on the back cover page of this Offer to Purchase at or prior to the Expiration Deadline. No documents should be sent to the Offeror or the Dealer Managers.

The term "**Agent's Message**" means a message transmitted by DTC to, and received by, the Tender Agent and forming a part of the Book-Entry Confirmation, which states that DTC has received an express acknowledgment from the participant in DTC described in such Agent's Message, stating (a) the aggregate principal amount of Notes that have been tendered by such participant pursuant to the Offer, (b) that such participant has received this Offer to Purchase and agrees to be bound by the terms of the Offer as described in this Offer to Purchase, and (c) that we may enforce such agreement against such participant.

Any acceptance of an Agent's Message transmitted through ATOP is at the election and risk of the person transmitting an Agent's Message and delivery will be deemed made only when actually received by the Tender Agent. Holders desiring to tender Notes pursuant to ATOP must allow sufficient time for completion of the ATOP procedures during normal business hours of DTC.

Guaranteed Delivery Procedures

If a holder wishes to tender Notes in the Offer and if such a holder is unable to deliver, or arrange to have delivered on its behalf via DTC, to the Tender Agent a valid Tender Instruction by the Expiration Deadline, or if time will not permit such holder to comply with the procedures for submitting Tender Instructions before the Expiration Deadline, such holder may nevertheless tender its Notes pursuant to guaranteed delivery procedures (the "**Guaranteed Delivery Procedures**"), provided that such holder satisfies all of the following conditions:

- such holder makes the tender by or through an intermediary;
- guaranteed deliveries may be submitted only in principal amounts equal to the Authorized Denominations;

- prior to the Expiration Deadline, either such holder complies with ATOP procedures applicable to guaranteed delivery or the Tender Agent receives by mail or overnight courier, a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by the Offeror, including (where required) a signature by the intermediary in the form set forth in such Notice of Guaranteed Delivery; and
- the Tender Agent receives the Tender Instruction no later than two Business Days after the Expiration Deadline.

Upon request, the Tender Agent will send to holders a Notice of Guaranteed Delivery if holders wish to use to the guaranteed delivery procedures set forth above.

The Notice of Guaranteed Delivery may be transmitted in accordance with the usual procedures of DTC and the Tender Agent; provided, however, that if the notice is sent by DTC through electronic means, it must state that DTC has received an express acknowledgment from the holder(s) on whose behalf the notice is given that the holder(s) has received and agrees to become bound by the form of the notice to the Tender Agent. If the ATOP procedures are used, the DTC participant need not complete and physically deliver the Notice of Guaranteed Delivery. However, the DTC participant will be bound by the terms of the Offer.

For the avoidance of doubt, the delivery of Notes tendered by using the guaranteed delivery procedures set forth above must be made no later than 5:00 p.m., New York City time, on the second Business Day after the Expiration Deadline; provided that the interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including those tendered by the guaranteed delivery procedures set forth above and under no circumstances will additional interest on the Purchase Price be paid by the Offeror after the Settlement Date by reason of any delay on the part of these guaranteed delivery procedures.

Withdrawal Rights

Validly tendered Notes and any Tender Instruction relating thereto, may be withdrawn at any time prior to the Withdrawal Deadline but not thereafter. Holders may not rescind their withdrawal of tenders of Notes, and any Notes properly withdrawn will thereafter be deemed not validly tendered for purposes of the Offer. Properly withdrawn Notes may, however, be re-tendered by again following the procedures described herein at any time prior to the Expiration Deadline. In addition, if the Offer is extended, the Withdrawal Deadline will be extended to the earlier of (i) the Expiration Deadline (as extended) and (ii) the tenth Business Day after the Commencement Date. The Notes may also be validly withdrawn in the event the Offer has not been consummated within sixty (60) Business Days after the Commencement Date.

Withdrawals may only be effected in accordance with the procedures described herein.

Holders wishing to exercise any such right of withdrawal should do so in accordance with the procedures of DTC. Holders should confirm with the bank, securities broker or any other intermediary through which they hold their Notes whether such intermediary would require receiving instructions to participate in, or withdraw their instruction to participate in, the Offer prior to the deadlines set out in this Offer to Purchase. In particular, holders who seek the flexibility to withdraw their Notes at a time prior to the Expiration Deadline but outside of the normal business hours of DTC, should consult in advance with their bank, securities broker or other intermediary regarding the effective deadline for exercising withdrawal by means of withdrawal instructions. For the avoidance of doubt, any holder who does not exercise any such right of withdrawal in the circumstances and in the manner specified above, shall be deemed to have waived such right of withdrawal and its original Tender Instruction will remain effective.

The Offeror will make a final and binding determination on all questions as to the validity, form and eligibility (including time of receipt) of such withdrawal instructions. Any Notes so withdrawn will be deemed not to have been validly tendered for purchase for the purposes of the Offer. Any Notes tendered but not accepted for any reason will be returned to the holder without cost to such holder promptly after withdrawal, rejection of tender or termination of the Offer. Properly withdrawn Notes may be re-tendered by following one of the procedures described herein any time prior to the Expiration Deadline.

For a withdrawal of Notes to be effective, the Tender Agent must timely receive, prior to the Withdrawal Date, either an Agent's Message or a written or faxed notice of withdrawal specifying the name of the tendering holder, a description of the Notes to be withdrawn, the amount of Notes to be withdrawn and the number of the account at DTC to be credited with the withdrawn Notes, and the holder must otherwise comply with DTC's procedures.

If the Notes to be withdrawn have been delivered or otherwise identified to the Tender Agent, an Agent's Message or a signed notice of withdrawal is effective immediately upon receipt by the Tender Agent of the Agent's Message or written or faxed notice of such withdrawal even if re-transfer by DTC book-entry is not immediately effected.

If a holder tendered its Notes through a custodian or nominee and wishes to withdraw such Notes, the holder will need to make arrangements for withdrawal with its custodian or nominee. The holder's ability to withdraw the tender of its Notes will depend upon the terms of the arrangements it has made with its custodian or nominee and, if its custodian or nominee is not the DTC participant tendering those Notes, the arrangements between its custodian or nominee and such DTC participant, including any arrangements involving intermediaries between its custodian or nominee and such DTC participant.

Through DTC, the Tender Agent will return to tendering holders all Notes in respect of which it has received valid withdrawal instructions on or prior to the Withdrawal Date promptly after it receives such instructions.

- (h) it has observed the laws of all relevant jurisdictions; obtained all requisite governmental, exchange control or other required consents; complied with all requisite formalities; and paid any issue, transfer or other taxes or requisite payments due from it in each respect in connection with any offer or acceptance in any jurisdiction and that it has not taken or omitted to take any action in breach of the terms of the Offer, or which will or may result in the Offeror, the Dealer Managers, the Tender Agent, or any other person acting in breach of the legal or regulatory requirements of any such jurisdiction in connection with the Offer;
- (i) all authority conferred or agreed to be conferred pursuant to its representations, warranties and undertakings and all of its obligations shall be binding upon its successors, assigns, heirs, executors, trustees in bankruptcy, insolvency practitioners and legal representatives and shall not be affected by, and shall survive, its death, incapacity, bankruptcy, insolvency, or any other similar proceedings;
- (j) none of the Offeror, the Dealer Managers, the Tender Agent or the trustee with respect to the Notes (or any of their respective directors, employees or affiliates) has given it any information with respect to the Offer save as expressly set out in this Offer

- (k) except with respect to certain U.K. and U.S. tax considerations described under “*Taxation*” below, no information has been provided to it by the Offeror, the Dealer Managers or the Tender Agent (or any of their respective directors, employees or affiliates) with regard to the tax consequences to holders, beneficial owners or Direct Participants arising from the tender, and acceptance for purchase of, Notes in the Offer. It hereby acknowledges that it is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its participation in the Offer, and agrees that it will not and does not have any right of recourse (whether by way of reimbursement, indemnity or otherwise) against the Offeror, any member of the Group, the Dealer Managers, the Tender Agent or any other person in respect of such taxes and payments;
- (l) it is not an individual or entity (a “**Person**”) (i) (A) that is, or is owned or controlled by one or more Persons that are, described or designated in (I) the most current “Specially Designated Nationals and Blocked Persons” list (which as of the date of this Offer to Purchase can be found at: <https://www.treasury.gov/ofac/downloads/sdnlist.pdf>) or (II) the most current “Consolidated list of persons, groups and entities subject to EU financial sanctions” (which as of the date of the Offer to Purchase can be found at: <https://data.europa.eu/data/datasets/consolidated-list-of-persons-groups-and-entities-subject-to-eu-financial-sanctions?locale=en>) ; or (B) that is otherwise the subject of any sanctions administered or enforced by any Sanctions Authority (as defined below), other than solely by virtue of their inclusion in: (I) the most current “Sectoral Sanctions Identifications” list (which as of the date of the Offer to Purchase can be found at: <https://www.treasury.gov/ofac/downloads/ssi/ssilist.pdf>) (the “**SSI List**”), (II) Annexes 3, 4, 5 and 6 of Council Regulation No. 833/2014, as amended by Council Regulations No. 960/2014, 1290/2014, 2015/1797, 2017/2212 and Commission Implementing Regulation 2019/1163 (the “**EU Annexes**”), (III) the current list of “Designated Persons: Russia” published by OFSI (which as at the date hereof can be found at: <https://www.gov.uk/government/publications/financial-sanctions-ukraine-sovereignty-and-territorial-integrity>), or (IV) any other list maintained by a Sanctions Authority, with similar effect to the SSI List or the EU Annexes; or (ii) to whom it is otherwise unlawful to make an invitation pursuant to the Offer under applicable laws (such Person described in (i) or (ii) being a “**Sanctions Restricted Person**”) and, in each case, has (before tendering the Notes) complied with all laws and regulations applicable to it for the purposes of its participation in the Offer. For the purposes of this paragraph, “**Sanctions Authority**” means each of (i) the United States government; (ii) the United Nations; (iii) the European Union (or any of its member states); (iv) the United Kingdom; (v) any other relevant governmental or regulatory authority, institution or agency which administers economic, financial or trade sanctions; or (vi) the respective governmental institutions and agencies of any of the foregoing including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury, the United States Department of State, the United States Department of Commerce and His Majesty’s Treasury;
- (m) it is not located or resident in the United Kingdom or, if it is located or resident in the United Kingdom, it is a person having professional experience in matters relating to investments falling within the definition of investment professionals (as defined in Article 19(5) of the Order) or a person falling within Article 43(2) of the Order, or a person to whom the Offer to Purchase and any other documents or materials relating to the Offer may otherwise lawfully be communicated in accordance with the Order;
- (n) it is not located or resident in Italy, or, if it is located in Italy, it is an authorized person or is tendering Notes through an authorized person and in compliance with applicable laws and regulations or with requirements imposed by CONSOB or any other Italian authority;
- (o) it is not located or resident in France or, if it is located or resident in France, it is a qualified investor (*investisseur qualifié*) (as defined in Article 2(e) of the Prospectus Regulation);
- (p) it is not located or resident in Belgium or, if located or resident in Belgium, (i) it is a person which is a “qualified investor” in the sense of Article 2(e) of the Prospectus Regulation, acting on its own account or (ii) there are other circumstances set out in Article 6, §4 of the Belgian Law of 1 April 2007 on public takeover bids, as amended or replaced from time to time (the “**Belgian Takeover Law**”) and Article 1.4 of the Prospectus Regulation which provide an exemption from the public offer requirements set out in the Belgian Takeover Law and the Prospectus Regulation;
- (q) it has full power and authority to submit for tender and transfer the Notes hereby submitted for tender and if such Notes are accepted for purchase, such Notes will be transferred to, or to the order of, the Offeror with full title free from all liens, charges and encumbrances, not subject to any adverse claim and together with all rights attached thereto;

- (r) the terms and conditions of the Offer shall be deemed to be incorporated in, and form a part of, the Tender Instruction which shall be read and construed accordingly and that the information given by or on behalf of such existing holder in the Tender Instruction is true and will be true in all respects at the time of the tender; and
- (s) it understands and agrees that the Offeror, the Dealer Managers and the Tender Agent will rely upon the truth and accuracy of the foregoing representations, warranties and undertakings.

The receipt from a holder or from a Direct Participant on behalf of a beneficial owner of a Tender Instruction by DTC will constitute instructions to debit from such holder's or Direct Participant's account on the Settlement Date or the Guaranteed Delivery Settlement Date, as applicable, the principal amount of Notes that such holder or Direct Participant has tendered for purchase and which have been accepted, upon receipt by DTC of an instruction from the Tender Agent to receive those Notes for the account of the Offeror subject to the automatic withdrawal of those instructions in the event that the Offer is terminated by the Offeror or the withdrawal of such Tender Instruction (in the circumstances in which such withdrawal is permitted) in accordance with the procedures set out in this Offer to Purchase.

Responsibility for Delivery of Tender Instructions

None of the Offeror, the Dealer Managers or the Tender Agent, as the case may be, will be responsible for the communication of tenders and corresponding Tender Instructions by (i) beneficial owners to the Direct Participant through which they hold Notes or (ii) the Direct Participant to DTC.

If a beneficial owner holds its Notes through a Direct Participant, such beneficial owner should contact that Direct Participant to discuss the manner in which tender acceptances and transmission of the corresponding Tender Instruction and, as the case may be, transfer instructions may be made on its behalf.

In the event that the Direct Participant through which a beneficial owner holds its Notes is unable to submit a Tender Instruction, such beneficial owner should telephone the Tender Agent for assistance on the numbers provided in this Offer to Purchase.

Holders, Direct Participants and beneficial owners are solely responsible for arranging the timely delivery of their Tender Instructions.

If a beneficial owner offers its Notes through a Direct Participant, such beneficial owner should consult with that Direct Participant as to whether it will charge any service fees in connection with the participation in the Offer.

Amendment and Termination

Notwithstanding any other provision of the Offer, the Offeror may, subject to applicable laws, at its option, at or before the Expiration Deadline:

(a) extend the Withdrawal Deadline or re-open the Offer, as applicable (in which case all references in this Offer to Purchase to the Withdrawal Deadline shall, unless the context otherwise requires, be to the latest date and time to which the Withdrawal Deadline has been so extended or the Offer re-opened);

(b) otherwise extend, re-open or amend the Offer in any respect (including, but not limited to, any extension, re-opening or other amendment, as applicable, in relation to the Expiration Deadline and/or the Settlement Date and/or the Guaranteed Delivery Settlement Date);

(c) delay acceptance for purchase of, and payment for, Notes validly tendered for purchase in the Offer until satisfaction or waiver (if permitted) of the conditions to the Offer, provided that the Offeror will only so delay acceptance if an extension of the Offer is announced;

(d) if any of the General Conditions listed under "*The Offer—Terms of the Offer—Offer Conditions*" have occurred on or after the date of this Offer to Purchase and are continuing at the time of the Expiration Deadline, terminate the Offer, including with respect to Tender Instructions submitted before the time of such termination; and/or

(e) if any of the General Conditions listed under "*The Offer—Terms of the Offer—Offer Conditions*" have occurred on or after the date of this Offer to Purchase and are continuing at the time of the Expiration Deadline, choose not to accept all valid tenders received by the Tender Agent prior to the Expiration Deadline.

The ability of the Offeror to delay acceptance for payment, or payment for Notes validly tendered for purchase and not withdrawn prior to the Expiration Deadline is limited by Rule 14e-1(c) under the Exchange Act, which requires that an offeror pay the

consideration offered or return the securities deposited by or on behalf of holders promptly after the termination or withdrawal of a tender offer.

The Offeror also reserves the right at any time to waive, where permissible, any or all of the conditions of the Offer as set out in this Offer to Purchase.

The Offeror will ensure holders are notified of any such extension, re-opening, amendment or termination promptly after the relevant decision is made as described above under “—Announcements”. An announcement of any extension of the Offer will be made prior to 10:00 a.m., New York City time, on the Business Day immediately following the previously scheduled Expiration Deadline.

In the event of any change to the Purchase Price or any other material change to the Offer, the Offeror will ensure holders are notified promptly after such change as described above under “—Announcements”, at least five Business Days prior to the expiration of the Offer in the case of a change to the Purchase Price and at least three Business Days prior to expiration of such Offer in the case of any other material change to the Offer, in each case at or prior to 10:00 a.m., New York City time, on the first day of such five or three Business Day period, as applicable, and the Offeror will describe any change in the consideration being offered in a report on Form 6-K furnished to the SEC or a press release via a widely disseminated news service prior to 12:00 noon, New York City time, on the first day of the aforementioned five Business Day period.

Notwithstanding the irrevocability of all Tender Instructions, on the termination of the Offer, all Tender Instructions relating to the Notes will be deemed to be withdrawn automatically.

Irregularities

All questions as to the validity, form and eligibility (including the time of receipt) of any Tender Instruction, tenders of Notes or revocation or revision thereof or delivery of Notes will be determined by the Offeror in its sole discretion, which determination will be final and binding. The Offeror reserves the absolute right to reject any and all Tender Instructions not in proper form or for which any corresponding agreement would, in its opinion, be unlawful. None of the Offeror, the Dealer Managers or the Tender Agent shall be under any duty to give notice to holders, Direct Participants or beneficial owners of any irregularities in Tender Instructions.

Dealer Managers and Tender Agent

The Offeror has retained NatWest Markets Securities Inc., an affiliate of the Offeror, to act as Global Arranger and Lead Dealer Manager, TD Securities (USA) LLC (together with NatWest Markets Securities Inc.) to act as Dealer Managers and Kroll Issuer Services Limited to act as Tender Agent in connection with the Offer. The services of the Dealer Managers may be provided through their respective affiliates in certain jurisdictions. The Offeror has agreed to pay the Dealer Managers customary fees for its services in connection with the Offer and has also agreed to reimburse the Dealer Managers for its reasonable out-of-pocket expenses and to indemnify it against specific liabilities, including liabilities under U.S. federal securities laws.

The Dealer Managers and their respective affiliates have provided in the past, are currently providing and may provide in the future, other investment banking, commercial banking and financial advisory services to the Offeror and its affiliates for customary fees and expenses in the ordinary course of business.

At any given time, the Dealer Managers or their respective affiliates may trade the Notes and other securities issued by the Offeror or its subsidiaries for their own accounts, or for the accounts of their customers, and accordingly may hold a long or short position in the Notes or other securities. The Dealer Managers may also tender into the Offer the Notes they may hold or acquire, but are under no obligation to do so.

None of the Dealer Managers, the Tender Agent or any of their respective directors, officers, employees, agents or affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Offer, the Offeror, any of its affiliates or the Notes contained in this Offer to Purchase or in the documents incorporated by reference herein, or for any failure by the Offeror to disclose events that may have occurred and may affect the significance or accuracy of that information.

None of the Dealer Managers, the Tender Agent or any of their respective directors, officers, employees, agents or affiliates is acting for any holder of the Notes, or will be responsible to any holder of the Notes for providing any protections which would be afforded to its clients or for providing advice in relation to the Offer and accordingly none of the Dealer Managers, the Tender Agent or the trustee with respect to the Notes (or any of their respective directors, officers, employees or affiliates) makes any representation or recommendation whatsoever regarding the Offer or any recommendation as to whether any holder of the Notes should tender Notes in the Offer.

If a jurisdiction requires that the Offer be made by a licensed broker or dealer and the Dealer Managers or any of their respective affiliates is such a licensed broker or dealer in that jurisdiction, the Offer shall be deemed to be made by such Dealer Manager or affiliate, as the case may be, on behalf of the Offeror in such jurisdiction.

The Dealer Managers and their respective affiliates may contact holders of Notes regarding the Offer, and may request brokerage houses, custodians, nominees, fiduciaries and others to forward this Offer to Purchase and related documents to holders of Notes.

Any questions or requests for assistance or information concerning the Offer may be directed to the Dealer Managers at their addresses, telephone numbers or email addresses set forth on the back cover of this Offer to Purchase. Any questions or requests for assistance in connection with the delivery of Notes or requests for additional copies of this Offer to Purchase or any related documents may be directed to the Tender Agent at the address and telephone numbers set forth on the back cover of this Offer to Purchase.

The Tender Agent and the Dealer Managers are the agents of the Offeror and owe no duty to any holders of Notes.

Offer and Distribution Restrictions

This Offer to Purchase does not constitute an offer or an invitation to participate in the Offer in any jurisdiction in or from which, or to any person to whom, it is unlawful to make the Offer or invitation under applicable laws. The distribution or communication of the Offer to Purchase in certain jurisdictions may be restricted by law. Persons into whose possession the Offer to Purchase comes are required by each of the Offeror, the Dealer Managers and the Tender Agent to inform themselves about, and to observe, any such restrictions.

European Economic Area (“EEA”)

The communication of this Offer to Purchase and any other documents or materials relating to the Offer does not constitute an offer of securities to the public for the purposes of Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”) and accordingly the requirement to produce a prospectus under the Prospectus Regulation does not apply to the Offer.

United Kingdom

The communication of the Offer to Purchase and any other documents or materials relating to the Offer is not being made, and such documents and/or materials have not been approved, by an authorized person for the purposes of section 21 of the Financial Services and Markets Act 2000 (the “**FSMA**”). Accordingly, the Offer to Purchase and such other documents and/or materials are not being distributed to, and must not be passed on to, the general public in the United Kingdom. The communication of the Offer to Purchase and such other documents and/or materials is exempt from the restriction on financial promotions under section 21 of the FSMA on the basis that they are only being distributed to and are only directed at persons to whom they can lawfully be circulated outside the United Kingdom or to: (i) persons in the United Kingdom having professional experience in matters relating to investments falling within the definition of investment professionals (as defined in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “**Order**”)); (ii) persons falling within Article 43 of the Order; or (iii) any other persons to whom the Offer to Purchase and such other documents and/or materials may otherwise lawfully be communicated under the Order (all such persons together being referred to as “**relevant persons**”). The Offer to Purchase and such documents and/or materials are directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which the Offer to Purchase relates is available only to relevant persons and will be engaged in only with relevant persons.

The communication of this Offer to Purchase and any other documents or materials relating to the Offer does not constitute an offer of securities to the public for the purposes of Regulation (EU) 2017/1129 (as amended) as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “**UK Prospectus Regulation**”) and accordingly the requirement to produce a prospectus under the UK Prospectus Regulation does not apply to the Offer.

Belgium

Neither this Offer to Purchase nor any other documents or materials relating to the Offer have been submitted to or will be submitted for approval or recognition to the Financial Services and Markets Authority (*Autorité des services et marchés financiers / Autoriteit voor financiële diensten en markten*) and, accordingly, the Offer may not be made in Belgium by way of a public offering, as defined in Articles 3 and 6 of the Belgian Law of April 1, 2007 on public takeover bids as amended or replaced from time to time. Accordingly, the Offer may not be advertised and the Offer will not be extended, and neither this Offer to Purchase nor any other documents or materials relating to the Offer (including any memorandum, information circular, brochure or any similar documents) have been or shall be distributed or made available, directly or indirectly, to any person in Belgium other than “qualified investors” in the sense of Article 2(e) of the Prospectus Regulation, acting on their own account. This Offer to Purchase has been issued only for the

personal use of the above qualified investors and exclusively for the purpose of the Offer. Accordingly, the information contained in this Offer to Purchase may not be used for any other purpose or disclosed to any other person in Belgium.

France

This Offer to Purchase and any other documents or offering materials relating to the Offer may not be distributed in the Republic of France except to qualified investors (*investisseurs qualifiés*) as defined in Article 2(e) of the Prospectus Regulation. This Offer to Purchase has not been and will not be submitted for clearance to the *Autorité des marchés financiers*.

Italy

None of the Offer, the Offer to Purchase or any other documents or materials relating to the Offer have been or will be submitted to the clearance procedure of the *Commissione Nazionale per le Società e la Borsa* (“**CONSOB**”), pursuant to applicable Italian laws and regulations.

The Offer is being carried out in the Republic of Italy (“**Italy**”) as an exempted offer pursuant to article 101-bis, paragraph 3-bis of the Legislative Decree No. 58 of February 24, 1998, as amended (the “**Financial Services Act**”) and article 35-bis, paragraph 4 of CONSOB Regulation No. 11971 of May 14, 1999, as amended (the “**Issuers’ Regulation**”). The Offer is also being carried out in compliance with article 35-bis, paragraph 7 of the Issuers’ Regulation.

Holders or beneficial owners of the Notes located in Italy can tender the Notes through authorized persons (such as investment firms, banks or financial intermediaries permitted to conduct such activities in Italy in accordance with the Financial Services Act, CONSOB Regulation No. 20307 of February 15, 2018, as amended from time to time, and Legislative Decree No. 385 of September 1, 1993, as amended) and in compliance with applicable laws and regulations or with requirements imposed by CONSOB or any other Italian authority.

Each intermediary must comply with the applicable laws and regulations concerning information duties vis-à-vis its clients in connection with the Notes and the Offer.

General

The Offer does not constitute an offer to buy or the solicitation of an offer to sell Notes (and offers to sell will not be accepted from the holders) in any circumstances in which such offer or solicitation is unlawful. In those jurisdictions where the securities or other laws require the Offer to be made by a licensed broker or dealer or similar and any of the Dealer Managers or any of the Dealer Managers’ respective affiliates is such a licensed broker or dealer in that jurisdiction, the Offer shall be deemed to be made by such Dealer Manager or affiliate as the case may be, on behalf of the Offeror in such jurisdiction.

Each holder participating in the Offer will be deemed to give certain representations in respect of the jurisdictions referred to above and generally as set out in this Offer to Purchase. Any tender of Notes pursuant to this Offer to Purchase from a holder that is unable to make these representations will be rejected. Each of the Offeror, the Dealer Managers and Kroll Issuer Services Limited reserves the right, in its absolute discretion (and without prejudice to the relevant holder’s responsibility for the representations made by it), to investigate in relation to any tender of Notes, whether any such representation given by a holder is correct and, if such investigation is undertaken and as a result the Offeror determines (for any reason) that such representation is not correct, such offer to sell will be rejected.

The Offeror and its affiliates expressly reserve the right at any time or from time to time following completion or termination of the Offer, to purchase or exchange or offer to purchase or exchange Notes or to issue an invitation to submit offers to sell Notes (including, without limitation, those tendered pursuant to the Offer but not accepted for purchase) through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, in each case on terms that may be more or less favorable than those contemplated by the Offer. In addition, the Offeror also reserves the right to issue new debt securities from time to time, including during the term of the Offer.

Governing Law

The terms of the Offer, including without limitation each Tender Instruction, and any non-contractual obligations arising out of or in connection with the Offer shall be governed by, and construed in accordance with, New York law. By submitting a Tender Instruction, a holder or Direct Participant irrevocably and unconditionally agrees for the benefit of the Offeror, the Dealer Managers and the Tender Agent that the courts of New York are to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Offer or any of the documents referred to above and that, accordingly, any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts.

Miscellaneous

Holders who need assistance with respect to the procedure relating to tendering their Notes should contact the Tender Agent, the contact details for whom appear on the back cover of this Offer to Purchase.

TAXATION

In view of the number of different jurisdictions where tax laws may apply to holders and beneficial owners of the Notes, save as set out below, this Offer to Purchase does not discuss the tax consequences for holders and beneficial owners arising from the purchase of Notes by the Offeror pursuant to the Offer. Holders and beneficial owners of Notes are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them or to the sale of their Notes and the receipt of the Purchase Price and Accrued Interest. Holders and beneficial owners of Notes are liable for their own taxes and have no recourse to the Offeror, any member of the Group, the Dealer Managers, the Tender Agent or any other person in respect of such taxes.

U.K. Tax Consequences for U.S. Holders

The following is a description of material U.K. tax consequences of the Offer for U.S. Holders (as defined in “*Taxation—Certain U.S. Federal Income Tax Considerations*”) who are resident in the U.S. for U.S. federal income tax purposes, are not resident in the U.K. for U.K. tax purposes, and do not at any relevant time (i) carry on a trade, profession or vocation in the U.K. through a branch or agency to which their Notes are attributable, or (ii) in the case of a corporate U.S. Holder, carry on a trade in the U.K. through a permanent establishment in the U.K. to which their Notes are attributable.

The comments below are of a general nature based on current U.K. tax law as applied in England and Wales and HM Revenue & Customs (“**HMRC**”) practice (which may not be binding on HMRC). They are not exhaustive of all possible tax considerations that may be relevant in the particular circumstances of each U.S. Holder. They do not necessarily apply where any income is deemed for tax purposes to be the income of any other person. Except to the extent expressly stated to the contrary, they relate only to the position of U.S. Holders who are the absolute beneficial owners of their Notes and do not apply to certain classes of persons (such as dealers, individuals who have temporarily ceased to be resident in the U.K., and persons who are connected to us) to whom special rules may apply.

You should satisfy yourself as to the tax consequences in your own particular circumstances relating to the Offer. In particular, holders within the charge to U.K. income tax are advised to take their own professional tax advice on the consequences of a disposal of the Notes pursuant to the Offer.

Disposal of Notes

A U.S. Holder will not, upon a disposal of Notes pursuant to the Offer, be liable for U.K. taxation on gains realized, unless at any relevant time the U.S. Holder is resident for tax purposes in the U.K., carries on a trade, profession or vocation in the U.K. through a branch or agency in the U.K. to which their Notes are attributable or, in the case of a corporate U.S. Holder, if the U.S. Holder carries on a trade in the U.K. through a permanent establishment in the U.K. to which their Notes are attributable. A U.S. Holder who is an individual and who has ceased to be resident for tax purposes in the U.K. for a period of five years or less and who disposes of Notes during that period may be liable to U.K. tax on chargeable gains under special rules for temporary non-residents, subject to any available exemption or relief.

Accrued Interest will be paid without withholding for or deduction of U.K. income tax on the basis that the Notes remain listed on a “recognised stock exchange” within the meaning of Section 1005 of the Income Tax Act 2007.

Accrued Interest on the Notes should constitute U.K. source income for U.K. tax purposes and, as such, may be subject to U.K. income tax by direct assessment irrespective of the residence of the holder. However, where the payments are made without withholding or deduction on account of U.K. tax (as will be the case in respect of such Notes as described above), the payments will not be assessed to U.K. income tax (other than in the hands of certain trustees) if you are not resident in the U.K. for tax purposes, except if you carry on a trade, profession or vocation in the U.K. through a U.K. branch or agency in connection with which the payments are received or to which the Notes are attributable (or in the case of a corporate U.S. Holder, if you carry on a trade in the U.K. through a permanent establishment in the U.K. in connection with which the payments are received or to which Notes are attributable), in which case (subject to exemptions for payments received by certain categories of agent) tax may be levied on the U.K. branch or agency (or permanent establishment).

Stamp duty and stamp duty reserve tax

No U.K. stamp duty or stamp duty reserve tax should be payable by U.S. Holders on the transfer of the Notes pursuant to the Offer.

Certain U.S. Federal Income Tax Considerations for U.S. Holders

The following is a description of certain U.S. federal income tax consequences of the Offer to the U.S. Holders described below that hold their Notes as capital assets for U.S. federal income tax purposes, but it does not purport to be a comprehensive description of all of the tax considerations that may be relevant to a decision to tender the Notes pursuant to the Offer. This discussion does not describe all of the tax consequences that may be relevant to a U.S. Holder in light of the U.S. Holder's particular circumstances, including alternative minimum tax and Medicare contribution tax consequences, as well as differing tax consequences applicable to special classes of U.S. Holders, such as:

- certain financial institutions;
- regulated investment companies;
- dealers or traders in securities that elect to use a mark-to-market method of tax accounting;
- persons holding Notes as part of a hedge, straddle, conversion or other integrated transaction;
- persons whose functional currency for U.S. federal income tax purposes is not the U.S. dollar;
- tax-exempt entities, "individual retirement accounts" or "Roth IRAs";
- persons subject to any special tax accounting rules under Section 451 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**");
- persons holding Notes in connection with a trade or business conducted outside of the United States; or
- partnerships or other entities or arrangements classified as partnerships for U.S. federal income tax purposes.

If an entity or arrangement that is classified as a partnership for U.S. federal income tax purposes owns Notes, the U.S. federal income tax consequences of the Offer to a partner will generally depend on the status of the partner and the activities of the partnership. Partnerships holding Notes and partners in such partnerships should consult their tax advisers as to the U.S. federal income tax consequences of the Offer in their particular circumstances.

This discussion is based on the Code, administrative pronouncements, judicial decisions and final, temporary and proposed Treasury regulations, all as of the date hereof, changes to any of which may affect the tax consequences described herein, possibly with retroactive effect.

As used herein, a "**U.S. Holder**" is a person that for U.S. federal income tax purposes is a beneficial owner of Notes and is:

- a citizen or an individual resident of the United States;
- a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States or any state therein or the District of Columbia; or
- an estate or trust the income of which is subject to U.S. federal income taxation regardless of its source.

U.S. Holders should consult their tax advisers concerning the U.S. federal, state, local and non-U.S. tax consequences of selling the Notes pursuant to the Offer in their particular circumstances.

Characterization of the Notes

As indicated in the prospectus supplement pursuant to which the Notes were issued, the Notes were treated as the Offeror's debt for U.S. federal income tax purposes and the remainder of this discussion so assumes.

Tendering U.S. Holders

In general, a U.S. Holder that tenders Notes pursuant to the Offer will recognize gain or loss in an amount equal to the difference between the Purchase Price and the U.S. Holder's adjusted tax basis in the Notes. Accrued Interest will be taxable as ordinary interest income to the extent not previously included in income. A U.S. Holder's adjusted tax basis will be the original cost of the Notes, increased by any market discount (as described below) included in the U.S. Holder's gross income and decreased (but not below zero) by any amortizable bond premium which the U.S. Holder has previously amortized.

Subject to the market discount rules described below, a tendering U.S. Holder's gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if the tendering U.S. Holder's holding period for the Notes is more than one year. The deductibility of capital losses is subject to limitations. Any capital gain or loss will generally be U.S.-source gain or loss for foreign tax credit purposes.

Market discount generally equals the excess of the principal amount of a Note over the U.S. Holder's initial tax basis in the Note, unless the market discount was less than a prescribed *de minimis* amount. In the case of a tendering U.S. Holder who acquired the Notes at a market discount, any gain recognized upon the sale of such Notes will be treated as ordinary income to the extent of the market discount that accrued during the period the U.S. Holder owned the Notes, unless the U.S. Holder had elected to include such market discount in income as it accrued.

Information Reporting and Backup Withholding

Information returns may be filed with the Internal Revenue Service in connection with the payment of the Purchase Price and Accrued Interest. A U.S. Holder may be subject to backup withholding on these payments if the U.S. Holder fails to provide its taxpayer identification number and comply with certain certification procedures or otherwise establish an exemption from backup withholding. Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a tendering U.S. Holder will be allowed as a credit against the U.S. Holder's U.S. federal income tax liability and may entitle the U.S. Holder to a refund, provided that the required information is timely furnished to the Internal Revenue Service.

Non-Tendering U.S. Holders

A U.S. Holder that does not sell Notes pursuant to the Offer will not recognize any gain or loss, and will have the same adjusted tax basis, holding period and accrued market discount in its Notes.

ANNEX 1
FORMULA FOR DETERMINING THE PURCHASE PRICE AND ACCRUED INTEREST

YLD	=	The yield for the Notes, which equals the sum of (x) the Reference Yield and (y) the Fixed Spread, expressed as a decimal number.
CPN	=	The contractual annual rate of interest payable on the Notes expressed as a decimal number.
CF_i	=	The aggregate amount of cash per \$1,000 principal amount of the Notes scheduled to be paid on the “ith” out of the N remaining cash payment dates, assuming for this purpose that the Notes are paid down on the maturity date.
N	=	The number of scheduled semi-annual interest payments from (but not including) the Settlement Date to (and including) the maturity date.
S	=	The number of days from (and including) the semi-annual interest payment date for the Notes immediately preceding the Settlement Date, up to (but not including) such Settlement Date. The number of days is computed using the 30/360 day-count method.
/	=	Divide. The term immediately to the left of the division symbol is divided by the term immediately to the right of the division symbol before any addition or subtraction operations are performed.
exp	=	Exponentiate. The term to the left of “exp” is raised to the power indicated by the term to the right of “exp.”
$\sum_{i=1}^N$	=	Summate. The term in the brackets to the right of the summation symbol is separately calculated “N” times (substituting for “i” in that term each whole number between 1 and N, inclusive), and the separate calculations are then added together.
Accrued Interest	=	$\$1,000(CPN/2) (S/180)$.
Purchase Price	=	The price per \$1,000 principal amount of the Notes being priced (excluding Accrued Interest). A tendering holder will receive a total amount per \$1,000 principal amount (rounded to the nearest cent) of the Notes equal to the Purchase Price plus Accrued Interest.
Formula for Purchase Price	=	$\sum_{i=1}^N \left[\frac{CF_i}{(1 + YLD/2) \exp (i - S/180)} \right] - \$1,000(CPN)(S/360)$
