Subject to the terms and conditions in this Tender Offer Memorandum, the Company hereby also offers to pay to each Holder who validly tenders its Notes on or prior to the Early Tender Date (being 5:00 p.m., New York time, on July 29, 2025) and does not validly withdraw such Notes an amount in cash (the "Early Tender Premium") equal to:

-
- (1) Aggregate principal amount outstanding as of July 16, 2025.
 - (2) Per US\$1,000 principal amount of Notes validly tendered and not validly withdrawn on or prior to the Early Tender Date that are accepted for purchase by the Company pursuant to the Tender Offers.

 - (5) If the aggregate principal amount of Notes validly tendered in the Tender Offers exceeds the Maximum Acceptance Amount, tender instructions may be prorated such that the Maximum Acceptance Amount is not exceeded. See “Conditions of the Tender Offers — Proration” in the Tender Offer Memorandum

The Company proposes to purchase the Notes tendered in the Tender Offers up to the Maximum Acceptance Amount on the terms and subject to the conditions contained in the Tender Offer Memorandum. If at the Early Tender Date, the aggregate principal amount of Notes validly tendered by Holders would result in the Maximum Acceptance Amount being exceeded, the Company will not accept any Notes validly tendered by Holders after the Early Tender Date. The Company reserves the right, in its sole and absolute

discretion, to purchase the Notes in excess of or below the Maximum Acceptance Amount, or not to purchase any Notes, subject to applicable law.

The Company intends to accept for payment all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date, subject to the Maximum Acceptance Amount and the other terms and conditions described in the Tender Offer Memorandum, and will only prorate such Notes if the aggregate amount of Notes so tendered exceeds the Maximum Acceptance Amount. If the Tender Offers are not fully subscribed as of the Early Tender Date, Holders who validly tender Notes after the Early Tender Date but on or prior to Expiration Date may be subject to proration, whereas Holders who validly tender Notes at or prior to the Early Tender Date will not be subject to proration. Furthermore, if the Tender Offers are fully subscribed as of the Early Tender Date, Holders who validly tender Notes after the Early Tender Date will not have any of their Notes accepted for payment.

Any Notes tendered may be validly withdrawn at or before 5:00 p.m., New York City time, on July 29, 2025 (the “Withdrawal Deadline”), but not thereafter, by following the procedures described in the Tender Offer Memorandum. Tenders of Notes may not be withdrawn after the Withdrawal Deadline, unless mandated by applicable law. If the Tender Offers are terminated without Notes being purchased, any Notes tendered pursuant to the Tender Offers will be returned promptly, and neither the Early Tender Offer Consideration nor the Tender Offer Consideration, as the case may be, will be paid or become payable.

Subject to the terms and conditions of the Tender Offers being satisfied or waived, the Company reserves the right, in its sole discretion, on any date promptly following the Early Tender Date and before the Early Settlement Date (the “Early Acceptance Date”), to accept for purchase Notes validly tendered at or before the Early Tender Date and not validly withdrawn at or before the Withdrawal Deadline. If the Company elects to exercise this option and subject to the Maximum Acceptance Amount and proration (each as may be applicable), the Company will promptly pay the Early Tender Offer Consideration for Notes accepted on the Early Settlement Date (the “Early Settlement Date”) which is expected to be August 1, 2025, but is subject to change without notice. Also, on the Early Settlement Date, if any, the Company will pay accrued interest to, but excluding, the Early Settlement Date, on Notes accepted for purchase at the Early Acceptance Date.

Subject to the terms and conditions (including, but not limited to, the Maximum Acceptance Amount and proration) of the Tender Offers being satisfied or waived, and to its right, in its sole discretion, to extend, amend, terminate or withdraw the Tender Offers, the Company will, after the Expiration Date (the “Final Acceptance Date”), accept for purchase Notes validly tendered at or before the Expiration Date and not validly withdrawn at or before the Withdrawal Deadline (or if the Company has exercised its early purchase option described above, Notes validly tendered after the Early Tender Date and at or before the Expiration Date). The Company will promptly pay the Tender Offer Consideration (and, if the Company has not exercised its early purchase option described above, the Early Tender Offer Consideration, as applicable) for Notes accepted for purchase at the Final Acceptance Date on a date (the “Final Settlement Date”) which is expected to be August 18, 2025. Also, on the Final Settlement Date, the Company will pay accrued interest up to, but not including, the Final Settlement Date, on Notes accepted for purchase at the Final Acceptance Date.

A separate instruction must be submitted on behalf of each separate beneficial owner, due to potential proration.

The Company reserves the right, in its sole discretion but subject to applicable law, to (i) extend, terminate or withdraw the Tender Offers at any time and (ii) otherwise amend the Tender Offers in any respect, without extending the Withdrawal Deadline. For the avoidance of doubt, the Company may, in its sole discretion but subject to applicable law, extend the Withdrawal Deadline.
